Committee Substitute (CS)

The CS for SB 1559 requires each member of the county board of equalization to successfully complete a course of instruction consisting of at least 6 hours of instruction on the members' duties. The measure shortens the timeframe for a member of the board to complete such training from 18 months to 12 months and to complete 3 hours of continuing education each year. Members of the board may not miss more than 3 meetings per year. Any member who misses more than 3 meetings must forfeit his or her office. The measure provides an increase in members' daily compensation. The CS also directs the County Training Program Director of the Cooperative Extension Service at Oklahoma State University to send written notification of noncompliance to the county clerk, board of county commissioners, and State Auditor and Inspector.
