Bill Analysis

SB 1559 requires each member of the county board of equalization to successfully complete a course of instruction consisting of at least 6 hours of instruction on the members' duties. The measure shortens the timeframe for a member of the board to complete such training from 18 months to 12 months and to complete 3 hours of continuing education each year. Members of the board may not miss more than 3 meetings per year. Any member who misses more than 3 meetings must forfeit his or her office. The measure provides an increase in members' daily compensation.
