

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1580
Version:	INT
Request No.:	2534
Author:	Sen. Weaver
Date:	01/16/2020

Bill Analysis

SB 1580 authorizes road-service vehicles to use flashing lights. The lights equipped to such vehicles may be visible from not less 500 feet to the rear of the vehicle. Road-service vehicles are required to bear signs on each side of the vehicle that indicate name of the service. Such signs shall be visible from not less than 200 feet.
