

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1597
Version:	INT
Request No.:	3057
Author:	Sen. Shaw
Date:	01/16/2020

Bill Analysis

SB 1597 broadens the accrediting standards for toxicology labs to include any entity recognized formally by an accrediting body as meeting or exceeding applicable quality standards and provides for retroactivity.
