

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1598
Version:	INT
Request No.:	2609
Author:	Sen. Rosino
Date:	01/16/2020

Bill Analysis

SB 1598 requires every health benefit plan issued after November 1, 2020, to include coverage for an Autoimmune Encephalopathy Panel to diagnose autoimmune neuropsychiatric disorders. This benefit shall not be subject to a deductible, co-payment or coinsurance requirement.
