SB 1632 directs the tuition and fee rates charged at institutions within The Oklahoma State System of Higher Education beginning with the 2020-21 academic year to not exceed the rates approved by the Oklahoma State Regents for Higher Education for the 2019-20 academic year.

If the average system-wide tuition and fee increase over the last ten years (FY 2010-FY 2020) to the amount of tuition and fees budgeted in 2020, the potential impact to the system would be approximately \$65,440,000 in the first year.
