| Bill No.: | SB 1633 |
| Version: | INT |
| Request No.: | 2999 |
| Author: | Sen. Dahm |
| Date: | 01/21/2020 |

Bill Analysis

SB 1633 modifies the Oklahoma School Security Grant Program Act to direct that grants provided after July 1, 2020, will be used to change infrastructure of school buildings to limit entry to one entrance, to install a walk-through metal detector at the entrance and to employ licensed arm security guards.
