

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1645
Version:	INT
Request No.:	3224
Author:	Sen. Montgomery
Date:	01/21/2020

Bill Analysis

SB 1645 directs the Oklahoma Tax Commission to establish a combined registration period for special or personalized license plates and standard plates beginning on January 1, 2021. The measure also directs the Commission to determine a method for making required fee adjustments when a special or personalized license plate is obtained during a 12-month period for which a registration fee has already been remitted.
