

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 166
Version:	CS1
Request No.:	1912
Author:	Sen. Standridge
Date:	02/26/2019

Committee Substitute (CS)

SB 166 adds specific compounds of fentanyl, PCP, Isopropyl, Phenibut, and N-ethyl hexadrone to the Schedule I list of controlled substances. The CS for SB 166 adds other compounds to the list of Schedule I substances. The CS also adds tianeptine to the list of Schedule II substances. The CS clarifies that any material, compound, mixture or preparation that contains any quantity of the listed Schedule I or II substances are to be designated as a Schedule I or II substance.
