

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1712
Version:	INT
Request No.:	3342
Author:	Sen. Pederson
Date:	01/22/2020

Bill Analysis

SB 1712 removes the authorization given to agricultural hemp licensees to grow industrial hemp for research purposes. The measure also removes obsolete language related to requesting approval from the United States Department of Agriculture.
