

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1747
Version:	INT
Request No.:	3152
Author:	Sen. Murdock
Date:	01/27/2020

Bill Analysis

SB 1747 removes the requirement for the Oklahoma Agriculture Enhancement and Diversification Program to develop new or expanded benefits of agricultural events. The measure also reclassifies cooperative marketing grants into value-added agricultural grants. Farm diversification grants may include agritourism. Additionally, the measure allows loans to be provided to veteran or young farmers.
