Fiscal Analysis

FY'21 Impact: See Below

Full Year Impact: See Below

Effective Jan. 1, 2021 requires any new public safety radio network purchased by any law enforcement agencies in the state to be P25 compliant. DPS has already begun upgrading their infrastructure to be P25 compliant. Impacts to other state law enforcement agencies will depend on what kind of compatible equipment they need, the quantity needed, and when the upgrades/purchases are made.
