

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1845
Version:	INT
Request No.:	2596
Author:	Sen. Weaver
Date:	01/28/2020

Bill Analysis

SB 1845 directs the Oklahoma 9-1-1 Management Authority to develop a pilot training program for 9-1-1 operators on or before December 31, 2020. The program shall focus on training operators to recognize the need High-Quality Telecommunicator Cardiopulmonary Resuscitation during acute events requiring Cardiopulmonary Resuscitation. The training must include evidence-based, nationally-recognized guidelines for out-of-hospital cardiac arrest and continuous education.
