

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1854
Version:	INT
Request No.:	2955
Author:	Sen. Dahm
Date:	02/24/2020

Bill Analysis

SB 1854 directs the State Department of Education to ensure that each school district includes all relevant information relating to exemptions from immunization laws and links to appropriate forms to apply for the exemption in any notice or publication provided to parents regarding immunization requests.

Prepared by: Kalen Taylor

Fiscal Analysis

FY'21 Impact: None

Full Year Impact: None

This bill requires the State Department of Education to provide, and ensure that each school district in the state provides to parents or guardians the entirety of the immunization laws and rules of this state as well as provide links to all relevant immunization exemption forms in either electronic form or printed notice.

Unable to determine the cost to districts. It will also vary by district.
