

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1867
Version:	INT
Request No.:	3588
Author:	Sen. Ikley-Freeman
Date:	01/28/2020

Bill Analysis

SB 1867 directs the Oklahoma Health Care Authority to study the feasibility of covering screenings for adverse childhood experiences and health outcomes from positive experiences under the Medicaid program. The measure outlines the contents of what the study may contain.
