

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	SB 1897
Version:	INT
Request No.:	2797
Author:	Sen. McCortney
Date:	01/29/2020

Bill Analysis

SB 1897 directs each hospital in the state to compile a list of 25 common outpatient procedures and to submit this list to the State Department of Health depicting the average charges for these procedures. The Department shall publish this list on its website. The measure also directs the Department to compile a list of the 25 most commonly performed inpatient procedures in hospitals in the state and the costs associated with these procedures. The Department shall publish and annually update this list on its website.
