**Committee Substitute (CS)**

The CS for SB 1907 directs the Oklahoma Health Care Authority to submit a waiver to the Centers for Medicare and Medicaid Services to transition the Parent/Caretaker population of the state Medicaid program to a health voucher system. The CS outlines acceptable expenditures for the voucher providing to each member. For members enrolled under 48 cumulative months, the benefits are equal to \$500.00 monthly multiplied by the percentage by which the Consumer Price Index for medical care services on January 1 of the current calendar year varies from the Consumer Price Index for medical care services on January 1 of the previous calendar year. For members enrolled over 48 months, the amount is equal to \$250.00 monthly applied to the same formula. After 60 months, members are removed from the program.
