2nd Session of the 57th Legislature

Bill No.:	SB 1937
Version:	CS
Request No.:	4090
Author:	Sen. Thompson
Date:	05/04/2020

Committee Substitute (CS)

The CS for SB 1937 strikes language requiring expenditures from the Rate Preservation Fund to be spent solely when a decrease in the state's Federal Medical Assistance Percentage (FMAP) rate would otherwise result in implementation of reimbursement rate decreases by the Health Care Authority. The measure authorizes the Preservation Fund to be more broadly utilized to maintain reimbursement rates.
