

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 223
Version:	INT
Request No.:	184
Author:	Sen. Dossett
Date:	01/10/2019

Bill Analysis

SB 223 authorizes the Department of Public Safety to require a person applying for or possessing a driver's license and is afflicted with Alzheimer's or some form of dementia to submit to a physical and/or psychological examination if the Department has good cause to believe that the person poses a significant risk on the road.
