

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 229
Version:	INT
Request No.:	893
Author:	Sen. Bice
Date:	01/10/2019

Bill Analysis

SB 229 requires the Oklahoma Center for the Advancement of Science and Technology to mandate that businesses or persons receiving financial or other assistance to complete an annual survey. The survey will require the business or person receiving assistance to submit data related to jobs created and payroll generated in this state.
