**Floor Substitute (FS)**

SB 234 repeals statutory language authorizing the creation of the Oklahoma Compensation and Unclassified Positions Review Board. The Board reviews compensation adjustments, pay band adjustments, targeted salary increases, and other recommendations related to turnover, fringe benefits and other compensation issues concerning state employees, excluding issues related to retirement.

The FS for SB 234 requires agencies subject to the Merit System of Personnel Administration to submit requests for additional or reclassification of agency personnel to the Legislature. The Legislature may approve or disapprove the request by the proper passage of a concurrent resolution introduced by the chair or vice-chair of the relevant subcommittee. The measure specifies a timeline for the Legislature to review the proposal. The concurrent resolution is not subject to legislative deadlines.
