**Bill Analysis**

SB 314 requires the Commission for Educational Quality and Accountability to select applicants to participate in the Education Leadership Oklahoma program beginning July 1, 2019. The Commission must provide an up-front payment of one-half of the application processing charge and assessment fee for National Board certification. The payment is capped at \$1,300.00. The Commission will then provide another payment equal to one-half of the application processing charge and assessment fee to the participant upon certification, capped at \$1,300.00.

Selected applicants that do not receive an up-front payment and complete National Board certification may apply to receive the full amount of the application processing charge and assessment fee. The measure also indefinitely extends the \$5,000.00 bonus provided to teachers with National Board Certification beginning on July 1, 2019. Current law ends the bonus after a ten year-period.

The measure also removes sections of the minimum teacher salary schedule dealing with teachers possessing National Board certification.
