Bill Analysis

SB 354 creates the Frack Sand Mining Advisory Group. The group will be composed of the administrative heads of six listed agencies. The chair of the Group will be the administrative head of the Oklahoma Department of Commerce or their designee. The Group will advise applicants for a sand mining permit on how to proceed with the application, direct current operations to be more economically and environmentally friendly, and ensure appropriate use of technology. The Group will submit an annual report to the President Pro Tempore, Speaker, and Governor.
