

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 355
Version:	INT
Request No.:	1178
Author:	Sen. Pederson
Date:	01/16/2019

Bill Analysis

SB 355 adds private-use airport as defined in the Code of Federal Regulations and which was depicted as an airfield or airport on a Federal Aviation Administration sectional navigation chart prior to April 17, 2015 to the setback requirements of a wind energy facility.
