Committee Substitute (CS)

The CS for SB 358 modifies percentage of service related disability from 100% to just a percentage as it relates to the Oklahoma Veterans Registry. The CS also cites Section 2 of Title 72 as the relevant definition for a veteran in this measure instead of defining National and Reserve Guard in the measure. The CS further specifies information the State Department of Health must transmit to the Department of Veterans Affairs as it relates to the death of a veteran. The CS clarifies that the Social Security Number of the deceased veteran shall not be released.
