Bill Analysis

SB 359 directs the Incentive Evaluation Commission (IEC) to, in addition to its other duties, evaluate the tax structure, as defined by the measure, of Oklahoma and provide recommendations to the Governor, President Pro Tempore, and Speaker no later than December 31, 2021. The IEC must examine:

- 1) The ability of the tax structure to provide timely revenue while distributing burdens evenly
- 2) Applicable constitutional and statutory provisions
- 3) Other states' tax structures as compared to the state of Oklahoma
- 4) A list of recommendations for any changes to the tax structure which will allow growth and fund services
