

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 36
Version:	INT
Request No.:	143
Author:	Sen. Dossett
Date:	12/11/2018

Bill Analysis

SB 36 removes statutory language requiring school districts to provide a physical activity report to parents or guardians of students. Current law requires the report to include a summary of the type of physical activity student experiences, how physical activity is incorporated in the school day, and information on the benefits of physical education.
