

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 385
Version:	INT
Request No.:	1603
Author:	Sen. Newhouse
Date:	01/17/2019

Bill Analysis

SB 385 redefines the term “a person requiring treatment” to include persons who threatened or attempted bodily harm to themselves or others, persons who place others in reasonable fear for their safety, persons who are unable to avoid severe impairment or injury from specific risks, and person with a substantial risk of harm without medical intervention.
