

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 437
Version:	INT
Request No.:	1354
Author:	Sen. Pugh
Date:	01/18/2019

Bill Analysis

SB 437 directs the State Department of Health to create a pilot program to train primary care physicians in rural areas on the diagnosing and treatment of Alzheimer's and dementia. The Department will identify a qualified neurologist to implement the Extension for Community Healthcare Outcomes (Project ECHO) training model or other similar training models.
