

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 497
Version:	CS1
Request No.:	1861
Author:	Sen. Standridge
Date:	02/25/2019

Committee Substitute (CS)

The CS for SB 497 requires insurers to provide reimbursements to pharmacists for providing medical services related to managing drug therapy, administering immunizations, and administering therapeutic injections. Additionally, insurers must reimburse pharmacists if the health benefit policy, contract, or agreement of the individual provides for payment or reimbursement of the service.
