Request No.:	1976

Committee Substitute (CS)

The CS for SB 514 creates a reciprocal license process to practice law in this state. The CS outlines the requirements for a person to apply for approval to practice law in the state and requires applicants to pay fines and fees currently set by the Oklahoma Supreme Court. If the applicant's origin state maintains stricter standards and higher fees than Oklahoma, the applicant will be required to comply with the same rules and fees that would apply to an applicant from this state seeking admission to the bar in the state or territory from which the applicant is claiming reciprocity.
