*The estimated revenue impact provided herein is an estimate of the potential impact on the collection or apportionment of tax revenues affected by the proposed legislation. It is not intended to be an estimate of the overall fiscal impact on the state budget if the proposed legislation is enacted.*

**ATTACHMENT TO FISCAL IMPACT – SB 0006 [Introduced] Prepared November 27, 2018**

The measure proposes amendment of Section 1355 of Title 68 to sunset, effective July 1, 2019, the 1.25% state sales tax currently levied on sales of motor vehicles. Oklahoma Tax Commission motor vehicle sales tax remittance records indicate that \$145,638,195 in motor vehicle sales tax was collected in the preceding twelve month period of November 1, 2017 through October 31, 2018. Assuming similar transactions as those experienced in the above-referenced twelve month period, an estimated decrease of \$145,638,195 in state sales tax revenues is estimated to occur for FY 20.
