Bill Analysis

SB 607 creates an expedited process for a building permit pertaining to the industrial use of land in an industrially zoned district. Upon meeting certain requirements set forth in the measure, the building official shall examine or cause to be examined applications for permits and amendments under the expedited process within twenty-four hours, excluding weekends and holidays, and either issue a permit upon approval or reject the application. Owners of the building will be required to maintain a general liability insurance policy in minimum amounts equal to the liability limitations set forth in Oklahoma Governmental Tort Claims Act.
