Bill No.:	SB 627
Version:	INT
Request No.:	223
Author:	Sen. Leewright
Date:	01/27/2019

Bill Analysis

SB 627 includes the development of communications infrastructure by providers of cable television services, internet access services or telecommunications services in the definitions of “manufacturing” and “manufacturing operation” as it relates to claiming the sales tax exemption for manufacturing. Beginning January 1, 2020, the exemption may be claimed by these providers as a refund. The exemption is capped at a statewide annual total limit of \$5 million and will be rewarded on a pro rata basis per tax payer if the total refunds claimed exceed \$5 million.
