

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 629
Version:	CS1
Request No.:	1942
Author:	Sen. Simpson
Date:	02/26/2019

Committee Substitute (CS)

The CS for SB 629 updates the approval requirement by the Department of Mental Health and Substance Abuse Services as it relates to creating a standard medication fee for participation in an opioid substitution treatment program that accepts either Medicare or Medicaid. The Department must still approve the medication fee if the program participates in Medicare or Medicaid. The measure authorizes the opioid substitution treatment program to determine the medication fee if it does not accept Medicare or Medicaid patients.
