

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 699
Version:	INT
Request No.:	966
Author:	Sen. Ikley-Freeman
Date:	01/28/2019

Bill Analysis

SB 699 requires the Department of Mental Health and Substance Abuse Services to develop and make available to school districts training on social-emotional learning. The program shall include understanding coping skills emotion vocabulary, understanding conflict resolution, and facial expressions. The Department may coordinate with nonprofits possessing the necessary expertise.

Prepared by: Kalen Taylor

Fiscal Analysis

FY'20 Impact: None

Full Year Impact: None

SB 699 will have DMHSAS make available to school districts training on social-emotional learning. DMHSAS currently has this training available and will be able to offer it online at no cost to the agency.

Prepared by: Department of Mental Health and Substance Abuse Services
