

Bill Summary
1st Session of the 57th Legislature

| | |
|---------------------|-----------------------|
| Bill No.: | SB 70 |
| Version: | FS1 |
| Request No.: | 2068 |
| Author: | Sen. Pemberton |
| Date: | 03/11/2019 |

Floor Substitute (FS)

The FS for SB 70 authorizes the State Department of Education to define requirements for the submission of data elements for the student information systems and instructional management systems used by school districts statewide in compliance with federal and state statutes, including reauthorized the Every Student Succeeds Act. The FS also amends statutory language to conform with the measure.
