

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 750
Version:	INT
Request No.:	66
Author:	Sen. Bergstrom
Date:	01/29/2019

Bill Analysis

SB 750 creates the Educators' Professional Liability Insurance Program. The Program shall provide liability coverage for part and full-time employees of public schools. Liability coverage is capped at \$2 million per occurrence. The Office of Management and Enterprise Services (OMES) is directed to manage the program and the Legislature must provide an annual appropriation equal to the costs of the program. OMES and the State Department of Education must notify eligible employees about the Educators' Professional Liability Insurance Program.

Fiscal Analysis

FY'20 Impact: Undetermined Fiscal Impact

SB 750 creates the Educators' Professional Liability Insurance Program and provides certain insurance coverage for school employees. OMES is unable to determine a fiscal impact without doing a research study on the bill and because they do not have access to education's information. However, OMES does think a potential cost savings would likely exist.
