

**Bill Summary**  
1<sup>st</sup> Session of the 57<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>SB 756</b>
<b>Version:</b>	<b>INT</b>
<b>Request No.:</b>	<b>458</b>
<b>Author:</b>	<b>Sen. McCortney</b>
<b>Date:</b>	<b>01/29/2019</b>

**Bill Analysis**

SB 756 requires medical marijuana and medical marijuana products to be packaged in child resistant packages as defined in the Poison Prevention Packaging Act of 1970. The measure further stipulates that no package containing marijuana shall resemble any commercially available product, particularly packaging that appeals to children.
