

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 764
Version:	INT
Request No.:	452
Author:	Sen. McCortney
Date:	01/29/2019

Bill Analysis

SB 764 directs the State Department of Health to create a medical marijuana use registry for physicians, patients and caregivers. Records associated with the registry will comply with the Health Insurance Portability and Accountability Act. The registry may be used by physicians to verify a patient's eligibility to use medical marijuana, track medications to ensure proper care for patients, and prevent an active registration of a patient by multiple physicians.
