1st Session of the 57th Legislature

Bill No.:	SB 766
Version:	FS1
Request No.:	1978
Author:	Sen. Hicks
Date:	02/25/2019

Floor Substitute (FS)

The FS for SB 766 reduces the time served before a person convicted of aggravated manufacturing or trafficking of a controlled dangerous substance is eligible for parole and removes the penalty from the list of 85% sentences. The time served is reduced from 85% of the sentence to 65% of the sentence received. Additionally, the measure allows a person convicted of aggravated manufacturing or trafficking of a controlled dangerous substance to apply earned credits for parole after serving 65% of the sentence.
