

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 766
Version:	INT
Request No.:	1242
Author:	Sen. Hicks
Date:	01/29/2019

Bill Analysis

SB 766 reduces the time served before a person convicted of aggravated manufacturing or trafficking of a controlled dangerous substance is eligible for parole and removes the penalty from the list of 85% sentences. The time served is reduced from 85% of the sentence to 60% of the sentence. Additionally, the measure allows a person convicted of aggravated manufacturing or trafficking of a controlled dangerous substance to apply earned credits for early release after serving 60% of the sentence.
