

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 770
Version:	INT
Request No.:	1412
Author:	Sen. Hicks
Date:	01/29/2019

Bill Analysis

SB 770 requires entities with a mandate to collect data related to the Criminal Justice Information Systems Center for Excellence managed by the Chief Information Officer (CIO) of the Office of Management and Enterprise Services to collect the data on a bi-weekly basis beginning January 1, 2020. The reports must be submitted to the CIO every month. Clerks of the district court, public defenders, district attorneys, administrators of detention facilities, and the Department of Corrections are directed to collect specific information enumerated in the measure. The CIO and Criminal Justice Information Systems Center for Excellence are directed to publish the datasets collected in a modern, machine readable, and electronic format beginning July 1, 2020. Entities that fail to collect the information enumerated in the measure shall be barred from receiving any monies from the Legislature, any state grant program, or the General Revenue Fund for five years after noncompliance.
