

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 824
Version:	INT
Request No.:	396
Author:	Sen. David
Date:	01/30/2019

Bill Analysis

SB 824 requires the Oklahoma Department of Transportation to conduct an economic impact study on affected municipalities on new state highway construction designed to bypass them. To successfully add a project to the Eight-Year Construction Work Plan, ODOT must receive a written official letter of support formally approved by the municipal governing body from the majority of the affected municipalities.

Fiscal Analysis

FY'20 Impact: \$50,000.00-\$100,000.00

SB 824 requires an economic impact study to be conducted before certain construction projects can proceed. ODOT estimates that the cost of that economic impact study would be between \$50,000 and \$100,000.
