

**Bill Summary**  
1<sup>st</sup> Session of the 57<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>SB 825</b>
<b>Version:</b>	<b>INT</b>
<b>Request No.:</b>	<b>1557</b>
<b>Author:</b>	<b>Sen. Smalley</b>
<b>Date:</b>	<b>01/30/2019</b>

**Bill Analysis**

SB 825 authorizes a registered nurse or Licensed Practical Nurse to reconstitute, dilute and label medications when a pharmacist is not available. The measure requires a label to be affixed to a modified medication if the medication is not for immediate use. The measure prescribes the information required to be displayed on the label.
