

**Bill Summary**  
1<sup>st</sup> Session of the 57<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>SB 826</b>
<b>Version:</b>	<b>INT</b>
<b>Request No.:</b>	<b>425</b>
<b>Author:</b>	<b>Sen. Bice</b>
<b>Date:</b>	<b>01/30/2019</b>

**Bill Analysis**

SB 826 authorizes the Department of Labor to access and inspect any public access electric vehicle charge station. The Commissioner of Labor may designate exceptions by type that are not subject to inspection and will establish a schedule of administrative fees for electric vehicle charge stations. The measure also defines “electric vehicle charge station” as a physical device that provides a connection from a power source to an electric vehicle.
