1<sup>st</sup> Session of the 57<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>SB 865</b>
<b>Version:</b>	<b>INT</b>
<b>Request No.:</b>	<b>1594</b>
<b>Author:</b>	<b>Sen. Silk</b>
<b>Date:</b>	<b>01/31/2019</b>

**Bill Analysis**

SB 865 states that any stream water permit issued to take and use water from a definite stream that leaves less than 60% of the annual flow of a Scenic River, 30% of the flow of any other definite stream, or 10% of the annual flow of a stream west of Interstate 35 shall be subject to and junior to any future instream flow appropriation that may reduce the appropriation of the stream's water.
