Fiscal Analysis

FY'20 Impact: Unknown impact on fee revenue

Full Year Impact: Unknown impact on fee revenue

SB 923 creates a 3 and 5 day special use permit for landowners to allow individuals to hunt and fish on their land without a license. The fee for the permit is capped at \$500. This would increase revenue for the Department, but could reduce revenue from other licenses that may not be otherwise issued due to the creation of this permit.
