1st Session of the 57th Legislature

Bill No.:	SB 93
Version:	INT
Request No.:	1086
Author:	Sen. Pugh
Date:	12/27/2018

Bill Analysis

SB 93 requires each state agency to justify limited budget requests, including the base appropriated amount and additional funding requests, as well as receiving a performance or operating audit beginning in fiscal year 2020 within a four-year cycle. The chairs of the Appropriations committees in the Senate and House must determine the audit schedule for each state agency within fifteen days of the measure's passage.
