

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 938
Version:	INT
Request No.:	1089
Author:	Sen. Pugh
Date:	02/01/2019

Bill Analysis

SB 938 authorizes physicians to issue one subsequent subscription for Schedule II controlled dangerous substance in a quantity not to exceed seven days if the prescription is made to a person that received a major procedure, the practitioner provides the subsequent prescription on the same day as the initial prescription, a “do not fill” date is included, and the subsequent prescription is dispensed no more than five days after the "do not fill until" date.
